## Mentor Mentee Report 20-21-2022

A Student Induction programme was organised for new students of BA and MA Courses before the regular classes started. The incumbents were told about the institutional policies, processes, practices, culture and values and their mentor groups were formed. All the mentors were given a sample format of the activities that they were expected to have with their mentees. Each mentor had around 25 to 30 students in their group.

I am attaching the ① sample of the activities that mentor have with their mentees ② The attendance of the induction programme with students feedback is attached for your information.

Thank You.

Dr Milli Baby  
Dept of Psychology

### Feedback Analysis.

14 Students were not happy about the structure of the program.

52 Students thought the information given content wise was below their expectation.

75 Students were doubtful about the usefulness of the program. This time looking at the Students feedback the program is structured in such a fashion that information will be distributed in hard copies more interaction with the Students will be established and fun activities will be included.
