FEEDBACK ANALYSIS REPORT

2019-2024

1.4.1 Institution obtains feedback on the academic performance and ambiance of the institution from various stakeholders, such as Students, Teachers, Employers, Alumni etc. and action taken report on the feedback is made available on institutional website

The updated **Feedback Analysis Report** for students, teachers, and alumni at VNGIASS provides valuable insights into the academic and institutional ecosystem, identifying key opportunities for enhancement and innovation. This initiative reflects a commitment to fostering a dynamic, inclusive, and tech-forward educational experience by integrating feedback from all stakeholders.

Student Feedback

Students emphasized the importance of **advanced digital infrastructure** and **flexible learning options**. The findings highlight a growing preference for **personalized learning experiences**, including remote access to resources, tech-driven tools for interactive education, and platforms that cater to diverse learning styles. Addressing these needs can significantly improve engagement and outcomes.

Teacher Feedback

Teachers expressed a strong interest in **continuous professional development** and **collaborative platforms** to share best practices. A notable need for **efficient digital systems** to streamline administrative tasks was identified, enabling educators to focus on innovative teaching strategies. Additionally, teachers advocated for **mental health support systems** to mitigate stress and burnout, emphasizing well-being in the education sector.

Alumni Feedback

Alumni prioritized **career development** and **networking opportunities**. They recommended more structured **mentorship programs** and frequent networking events to connect students with industry professionals. There was also significant interest in leveraging digital platforms for **real-time interaction** and knowledge-sharing, reinforcing their sense of connection to the institution.

Vasantrao Naik Government Institute of Arts and Social Sciences, Nagpur, has upheld its unique legacy since its foundation, emerging as a beacon of excellence and innovation in education. Committed to continuous quality enhancement, the institute's IQAC has implemented a robust feedback mechanism that involves collecting insights from various stakeholders through a structured, rating-based feedback form.

Feedback is obtained from students and alumni to ensure ongoing curriculum improvement and enrichment. The unprecedented challenges posed by the COVID-19 pandemic significantly disrupted regular academic activities during the Academic year 2019-20 and 2020-21, including the collection of stakeholder feedback. Given the stringent restrictions on physical gatherings, the closure of educational institutions, and the shift to remote learning, it was not feasible to conduct the feedback survey as per the usual process.

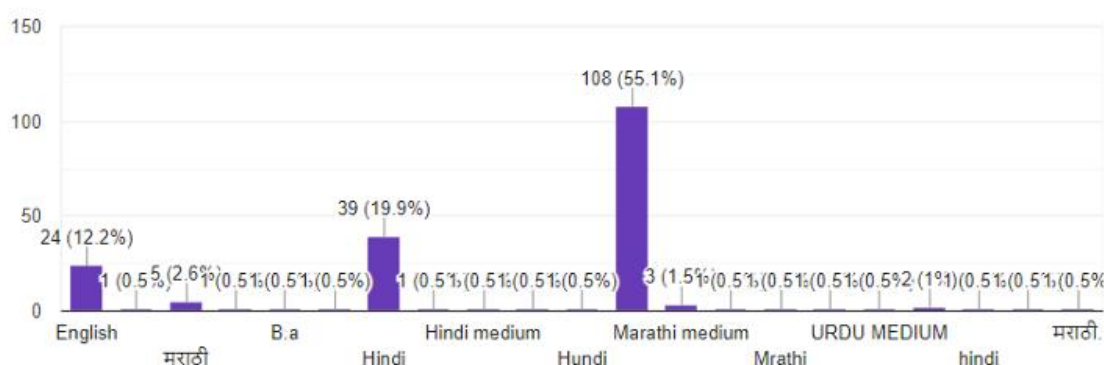

As soon as the environment was feasible to cover feedback from various stakeholders the institute conducted feedback for the academic session 2021–22, 2022-23 and 2023-24 feedback was collected digitally and manually through Google Forms, personal hardcopies, sessions, etc. The analysis of this valuable input is summarized below:

A. Feedback from Students

STUDENT FEEDBACK ANALYSIS – 2021–22

The comprehensive analysis captures students' perspectives on curriculum, teaching methods, resources, and overall academic experience, highlighting areas of strength and potential improvement to enhance the Institute's offerings.

196 responses

As per data total of 196 responses have been recorded by students belonging to various groups of mediums. There are 12.2% of students belong to the English medium, 19.9% of students belong to the Hindi medium, and 55.1% of students belong to the Marathi medium. All students are satisfied with the survey.
